Classes are scheduled Monday-Friday during the summer unless otherwise stated. Weekend class is held on Saturday and Sunday for the first weekend and Sunday there after. Please take into consideration school district and state days off. Classes and schedule are subject to change without notice.

Contract price and terms of payment-A \$100 deposit (\$150 for weekend classes) is required to hold the students spot in the class. Even though you may have registered on line the spot is not held until the deposit is received. The remaining balance is due the first day of class and can be made by credit card, check or cash. A \$25 NSF fee will be charged for any returned checks. The School will not refund any tuition or part of tuition if the school is capable and willing to perform its part of the contract. The Silver Teen program for \$495 includes 30 classroom hours, 6 hours of BTW instruction and 6 hours of BTW observation. Private lessons are available for \$70/hr.

Behind the Wheel Lessons (BTW)-Students will be charged a \$50.00 cancellation fee if the scheduled behind the wheel lesson is canceled within 72 hours or less. The student must have a valid permit with them for each and every time they drive. If the student is unable to present a valid permit at the start of the scheduled drive time, this is cause for the instructor to cancel the lesson and a \$50 cancellation fee will apply. Please be mindful that if you do not show up for your drive you are taking away the observation time for the other student in the car. For more information please visit our website at www.driving4teens.com.

Please understand that due to the nature of picking up two students for their BTW drive we may be a few minutes early or a few minutes late. Also please understand that if we deem driving conditions unsafe we will cancel the drives (no charge to you).

BTW sessions usually have two or more teens in the car together, although there may be a time when your teen will be alone in the car with our instructor. These times include:

1. When the student is the first student picked up by the instructor for the BTW session and they are on their way to pick up the second student or if they are the second student on their way home and have dropped off the first student.
2. When there is a late cancellation or a no-show of the partner BTW student.
3. When the student has scheduled a private BTW.
